

To Whom It May Concern:

I would like to express my gratitude to C. Sterling Quality Roofing for doing such an excellent job on my reroof. They dealt with the difficult task of reinforcing necessary framing to do much needed roof deck replacement. They went above and beyond the contract details outlined in their proposal without complaint or extra expense to me. They had the manpower and expertise to tear off the old shingles, replace wood, and reshingle my house, which has a very steep roof, in one day. I have never been satisfied working with contractors in the past, but C. Sterling Quality Roofing proved themselves to be competent, honest, and did not take short cuts. In short I would highly recommend their company to anyone needing roofing work done.

Sincerely,
